

Update or change your details

Here you can view and change any of your personal details, including your name, address, password, and contact details.

- 1 From the salary packaging dashboard select **My Details**.

- 2 Select the account details you need to change. You will then need to provide your new details.

- 3 For a change of address, you will receive confirmation that the request has been received.

- 4 If you change your email address, a confirmation email will be sent. To finalise the change, simply follow the prompts in the email.
